Dear Sir:

I was at the studio of Mr. de Francisci recently, where I saw his model of a medal which he is designing for you, and which I consider an exceptionally fine achievement.

May I ask whether it is possible for you to secure two copies for presentation to the collection of our Museum? We should be very grateful if this should prove feasible, as we desire examples of all such Award medals.

We feel that your Corporation is to be congratulated on the results obtained.

Very truly yours,

Secretary

Dear Mr. McGraw:

Yesterday we received the two copies of the James H. McGraw Award Medal. Thank you very much indeed. They will be given a prominent place in our case of recent acquisitions, where I am sure they will attract the attention which they deserve.

This is, to my mind, one of the most attractive medals that has been produced for a long time. We appreciate your gift.

Very truly yours,

Secretary
